

From the director's desk...

We are excited to introduce a school newsletter. It is a great way to keep you updated of what's happening in our school; highlighting key activities and celebrating great achievements.

So welcome to our first ever - Rapale International Newsletter!

To begin, I would like to extend thanks to various groups who have helped the first half of our term be a success.

A very big thank you to all parents who came to meet with class teachers during parent's consultation. The attendance and punctuality were greatly appreciated.

LET'S BUILD YOUR FUTURE Together

RIS RAPALE INTERNATIONAL SCHOOL

Mom: How was your first day of school?

Child: I don't think my teacher knows anything.

Mom: Why do you say that?

Child: She kept asking us for all the answers!

Thank you to the Grade 3, 5, 7 and 9 students and teachers for some outstanding projects. There were many excellent exhibits which showed the hard creative work of the children with the support of their parents. Hopefully students and parents picked up some ideas for future years.

And finally, thank you to every member of the RIS community for doing your part. *Alone we can do so little; together we can do so much - Helen Keller.*

Yours in His Service
Mike Green

time to celebrate!
